Please label all supplies with your student's name. A durable backpack without wheels will also be necessary. **Supplies that are consumed before the end of the year may need to be replenished.** Each student's extra supplies will be set aside and stored for them to access as needed. Parents may choose at the end of the year to have their students' leftover supplies returned or added to our community "bank." Students will need an independent reading book (or two!) to keep at their desk.
